Additional PE Kit Information

The PE Jacket is to be worn for PE Games, lessons and sports fixtures only, it is not to be worn as the Junior Coat, which is part of the mandatory Winter uniform.

ANY plain navy blue swim costume can be worn for swimming (Years 3-5 only). However, we recommend the Speedo Endurance swimsuit (which is worn by a majority of the pupils). It can be found online [here](#).

Shin pads and mouth guards are required for Hockey, played in the Autumn and Spring terms for all Junior years. Your child may bring their own hockey stick but school will have them available to borrow.

There are three options available to you when purchasing a mouthguard:

1. The least expensive is to buy a 'boil and bite' mouthguard from a sports shop or online.
2. The second option is to have a mouthguard made by your child's own dentist.
3. The third option is one that we are offering to all pupils using the specialist mouthguard company Titan.

Titan Mouthguards will be catering for all students wishing to purchase a custom, dental-fit mouthguard via their E-fitting service. If you wish to take advantage of this service, please complete your online order form in advance of your child's E-fitting [here](#).

PE Footwear

Sports trainers are required, not fashion trainers. Trainers can be velcro or lace up, as long as the pupil is able to do their own laces.

White sports socks, NOT trainer socks (required all year).
