WGPPS After School Care, Early Morning Care and Holiday Club Policy (Including EYFS)

Rationale:

The purpose of After School Care, Early Morning Care and Holiday Clubs is to provide a safe, caring and organised environment in which pupils are cared for outside the hours of the school day. After School Care and Early Morning Care provide the opportunity for pupils to be looked after until 6:00pm and to be dropped off at school and supervised before the start of the school day from 7.45am. Holiday Club provides child care for parents in the school holidays.

In this policy Out of School Care refers to After School Care, Early Morning Care and Holiday Clubs.

1. Staffing

- 1.1 All staff employed in Out of School Care will be submitted to the Foundation regulatory checks and will be employed in WGPPS (Wakefield Grammar Pre-Preparatory School).
- 1.2 There will be an After School Care manager and an Early Morning Care manager (for WGPPS children) who will have at least a Level 3 qualification and at least two years' experience of working in childcare to enable them to carry out their role competently. Children in school are supervised from 7.45am on the playground or in WGPPS Hall by teaching assistants. Holiday Club will have a manager with relevant experience.
- 1.3 The After School Care manager, Early Morning Care manager and Holiday Club manager will hold the Paediatric First Aid qualification as a minimum, although other staff will also hold this qualification.
- 1.4 All Out of School Care staff will be directly accountable to the Head of WGPPS on all matters.
- 1.5 There will always be a suitable and safe number of staff on duty which meets regulatory requirements.
- 1.6 Should the number of children attending Out of School Care need extra supervision extra members of staff will be deployed including members of the SLT.
- 1.7 The Head of the School, the After School Care, Early Morning Care and Holiday Club managers will ensure that suitable contingency arrangements are in place to cover emergencies and staff absences.
- 1.8 Every evening during term time a member of the SLT is on site to supervise any uncollected children and contact parents and, if necessary, social services if the child's parents or relatives cannot be contacted. This is on a rota basis. SLT will have a school phone and can be contacted in the event that they cannot be contacted on the school number.

2. Organisation

- 2.1 The Out of School Care managers will ensure that staff are deployed effectively to ensure the safety/welfare and development of the children attending.
- 2.2 In the absence of the manager, the responsibility will be delegated, or a member of the SLT will take charge.

- 2.3 Records containing the names, training and qualification of staff members will be kept on the premises and will be accessible to appropriate personnel.
- 2.4 Parents complete a form to book children in for regular attendance at After School Care, however, there is the opportunity to attend on an irregular basis by communicating in the school organiser or by booking on the telephone. A register is also kept of pupils' attendance. Holiday Club operates a booking system and registers are kept of children attending.

3. Registration System

- 3.1 In Early Morning Care and After School Care a registration system takes place on a daily basis indicating the supervision sessions attended by each child. In Early Morning Care when parents drop the children off they are asked to sign the register. When parents collect children, the After School Care manager asks them to complete the initial register to indicate the time the child was collected. In Holiday Club children are registered on entry and signed out by parents at the end of the day.
- 3.2 At the end of the school day, the children staying for After School Care go to the school hall for registration. At the start of the day children are dropped in the school hall. In Holiday Club children are dropped and collected from the school hall.
- 3.3 If a pupil is not collected by the appropriate time, the member of SLT on duty will contact the pupil's parents and remain with the child until they are collected. Or in the event of not being able to contact the parents, contact Social Services. At Holiday Club this responsibility will be undertaken by the Holiday Club manager.
- 3.4 If a pupil is regularly collected late from After School Care, the Head of the School will contact the parents to discuss the situation. Persistent failure to collect a child on time could mean that the child is not able to attend After School Care in the future.

4. Care, learning and play

- 4.1 Staff plan a range of activities and play opportunities, which are appropriate to the ages and interests of the children attending. The activities allow the children to have as much choice as is practicable.
- 4.2 In line with policy for teaching staff, staff will encourage the children to:
- talk about what they are doing
 - be confident and independent
 - develop their own self esteem
 - learn about what is right and wrong
- 4.3 The staff will respond to the pupils' individual needs, being mindful of those who need:

5. Physical Environment

facilities across school.

- 5.2 The hall is made welcoming to children. It is converted at the start and end of the school day to ensure children can relax and have room for appropriate indoor/ outdoor activities.
